PROMISING MARKET PROSPECT.

The Rialto heard an interesting bit of pows last night. Frank Bain, the biggest winner at Oakland last winter, will book through the coming fair grounds' meeting. He will not be here in person, at least in the earlier period of the meeting, but he will finance the book which his old-time crew and representatives will man. "Billy" Quinlan will direct the book with "Bob" Bain looking after the purser's office. The whole crew will be on from San Francisco by next Wednesday night. As the opening day of the meeting approaches the fact that a big cut-in of books at the first draw will occur becomes apparent. J. W. Rice, the superintendent of the ring, estimates the probable lineup on the first day at 15 bookmakers. This will be a spiendid showing of the cavaliers of the chalk and chamois. Among the layers expected on the firing line at the outset are "Jim" Murphy, "Abe" Baerwald, Frank Loss, Clough and Applogate, Frank Loss, Clough and Applogate, Frank Loss, Lanterman, Ed. Soule, C. Old-ham, Sam Stephens, H. Stover, Col. Jones, Henry Weismann and Baron Long.

HORSE RACING WILL BE O. K. UNDER CERTAIN RULES

New York, May 14.—The opinion nong the many followers of horse racg who witnessed the opening of the ason at Belmont park yesterday is at the sport will continue under cerin conditions.

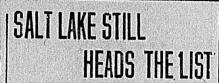

that the sport will continue under certain conditions.

The fact that bets were made and will continue to be made by those who are known to professional bookmakers, plays small part in the prediction of sporting men. If the sport is to depend solely unon the betting feature it will not succeed under the anti-betting law, according to many prominent followers of the race horse. This is because only those who are personally known can make a bet and they are comparatively few when a crowd of many thousands is considered.

Most of the wealthy owners of race prosess, particularly those who have not been identified with the betting ring, and the very large clientele who follow the races for the sport there is in it. Streed last night that the success of facing in the Metropolitan district depended upon the quality of the races, and the price of admission. Many sporting men declared that an admission fee of \$1 would be necessary.

Timely Hit in Tenth Inning Wins Another Game for Locals from Butte Ball Tossers.

HOW THEY STAND.

Chalk another one up for Salt Lake! Hammond's bunch won another but it was an uphili game and would have lost but for a timely little bingle made by Corbin.

Yesterday was ladies' and "kids" day and they were there in bunches. The crowd was a good one and bore with patience some of the bad decisions of Umpire McKibbon. The latter is probably doing the best he can but it is mighty poor at that. He called a man safe yesterday when he was out two or three feet and made other questionable decisions.

When the game started out Walts was in the box for Salt Lake and Ponder, the gent who gave the locals an awful trouncing on Thesday, officiated for Barnes' men, but things were different yesterday and the Salt Lake batters soon solved Pender's curves and began

to hammer him all over the lot. Mc-Adams was then pressed into service and the hit and run getting stopped with a suddenness that got on one's nerves. For six innings he had things his own way and then Head smashed out a safe one and the locals woke up. Head went out, however, and McAdams, fretting like a colt, tried to catch Lussi at first. Nehring let the ball go by and Lussi was soon perched on second. The throw to second to catch Lussi resulted in a mixup during which the jolly first baseman hiked it for third. With men down and a run needed Corbin walked to the plate.

The second ball up he rapped soundly scoring as clean a single as one would want to see, winning the game.

Butte started out with three in the second, two in the seventh and one in the night, while all of Salt Lake's scores with the exception of the one in the tenth, were made in the third when six runs were piled up. Thus they fought it out, the score tied and neither side npparently able to bring a man safely over the home plate. It was in the ninth Butte tied the score and the fans groaned but how the winning run was brought in in the tenth has already been told.

Chicago, May 15.—Chicago and Washington battled for 17 innings today and the game was called on account of darkness, with the score 1 to 1.
White allowed only one hit in the last 10 innings.

Manager Cantillon's tactics in the seventeenth inning probably saved his team from defeat. The locals had men on second and third with one out. Manager Sullvan then took himself out of the game and sent in Welday, a left-handed batter. Cantillon then sent Hughes, who was then pitching, to-right field and sent in Gray, a left-handed pitcher. Sullivan countered, by taking out Welday after Gray had pitched one ball to him. Then sent Hughes back against Owens, a right-handed hiter. According to the new rule, it was up to Gray to finish pitching to the man who was then batting or give a pass.

After some heated argument the um-

After some heated argument the umpires forced Gray to continue pitching to Owens. He did and passed him. Tannehill was the next man up and Hughes returned to the box, while Ganley went to right field. Tannehill hit to Hughes and Altizer was forced at the plate. White ended the chances with a groundarter Dielebanty.

Unable to Compete and Contests May be Called Off.

It was announced this morning that, all probability, there would be no back meet with the Stanford university eam of California. It was planned to have the U. boys meet the Californians the latter part of this month when Stanford will pass through Salt Lake en route to Chicago, but it now appears that the star men of the U. will go away before that time and it would be useless to line up against Stanford with such men as Convill, Alley, stewart and others out. Stewart is suffering from a sprained tendon, and is out of the running, and Alley and Convill are going away on the summer survey trip. Hedges and Judd will not be in the Logan meet tomorrow, and it is doubtful if Alley will be able to compete. He is still suffering from the injuries received at Provo last Saturday when he was spiked by Sainsbury. He was on the track a short time yesterday but there is not much chance that he will compete in the contests at Logan.

At St. Paul-St. Paul, 4; Indianapolis, SCHOOL BASKETBALL **GAMES THIS AFTERNOON** LOGAN TODAY AND TOMORROW

This afternoon there are four games scheduled to be played between teams in the grade schools be closely watched as the fight for the championship in both the boys and girls' division of the league is becoming decidedly warm and the team that carries off the championship will certainly know it has been in a fight. The schedule for this afternoon's games fol-Boys-Jackson vs Wasatch, on

Boys—Jackson vs Wasatch, on latter's grounds.
Franklin vs Grant, on latter's grounds.
Girls—Oquirrh vs Lafayette, latter's grounds.
Franklin vs Grant, latter's grounds.

The fight for the intercollegiate base-ball league championship is drawing to a close and interest in the coming games is decidedly keen. The University of Utah team left yesterday for Logan, where the boys have two games scheduled, one this afternoon and another tomorrow morning in the Temple City. This afternoon's game is with the B. Y. C. and tomorrow morning, before the track meet starts, they will cross bats with the U. A. C. Milne's men are in hopes of carrying off both games and if they do win it will mean they have practically cinched the championship. Jones and Muir, two of the U. crack men, have left on the junior mining trip and after some real hustling, two good men have been secured in their places and some changes in the positions have been made. Horsfall is on first while Stevens, a new man, has taken his place in left garden. Banning goes from short to third, while Dyer goes to short and Ivins, another new man, moves over to right field. Despite the loss of the two men the team is strong and will no doubt put up a couple of good games. PHILADELPHIA JACK O'BRIEN TRAINING FOR HIS BOUT WITH CHAMPION JOHNSON.

Burns in Australia, in which he won the title of champion of the world, will be in the National Athletic club, Philadelphia, on May 19, when he meets "Philadelphia Jack" O'Brien in a sixround bout. O'Brien is training hard for the event and insists that he will uncork a surprise for the followers of fistiana. The fight will give the public a chance to get a line on the Johnson-Ketchel fight scheduled before the Col-ma (California) club next October, for O'Brien only recently met Ketchel in a 10-round bout in New York. The Qua-ker received a terrible drubbing at the hands of the Montana wonder, but he

put up as game and clever a fight as one would care to see. If he makes a better showing against the Texas giant, better showing against the Texas giant, even though it be at the shorter distance, it will encourage Ketchel's admirers to believe that he really has something more than a look-in for the championship. For these reasons the eyes of the whole fight world are on the little tea party arranged by the Philadelphia club. O'Brien is never out of condition. For cleverness he ranks with the top-notchers of the game. He is as fast as a flash of lightning and is so shifty that he evades the force of many a hard punch by being on the "get away" when it lands. These pictures, taken only a few days ago, show some of his methods of training. The man in the white trunks is O'Brien,"
